

Notes from Flip Charts Oroville Facilities Relicensing (FERC Project No. 2100)

The following list was recorded on flip charts during the Cultural Resources Work Group Meeting. The flip chart listing is not intended to be a transcript or analysis of the meeting or to indicate agreement or disagreement with the items listed; the intent is to provide a summary for informational purposes for interested parties who could not attend the meeting.

Actions Items

- Employment Opportunities
 - Share employment information with members of tribal communities
 - Report response (how many people, what are their interests) back to Dale Hoffman-Floerke through tribal representatives by July 19
- Consulting staff to develop one-half day training session/workshops

Suggested Changes (APE Discussion)

Eric Ritter -- BLM

- Mile beyond existing boundary for primary streams on Feather River drainage
- One-half mile beyond on secondary streams
- One-quarter mile beyond for tertiary streams
- All defined recreation areas should be included
- If no spot survey, sensitivity study or modeling to rule out areas, extend boundary one-half mile all around
- Low flow area between diversion pool and northeast corner of wildlife area (to outlet)
- Below dam – buffer expanded to consider development that occurred as consequence of project development
- Transmission lines associated with project
- Feather River to confluence with Sacramento River (banks)
- Western Pacific relocation site (Table Mountain)

Others

- Chinese cultural center (potential enhancement)
- Hamilton Cemetery
- Beckwourth Trail
- Brian Beavers' house up North Fork Feather River
- Big Bald Rock, Little Bald Rock, Bald Rock Dome
- Numerous statues throughout area
- Indian Cemetery in downtown Oroville

Next Meeting

July 24, 2001

5 to 9 PM

Mooretown Rancheria
